## CONSUMER CHOICE

The program provides two supply options –

### 100% RENEWABLE SUPPLY

The entire electricity supply is matched by New York State qualified hydropower Renewable Energy Certificates (RECs)

**RATE: 15.128 ¢/kWh**

### STANDARD SUPPLY

The electricity supply is a mixture of fossil fuels, nuclear, and some renewable energy

**RATE: 13.364 ¢/kWh**

*Program fixed-rates provide cost control and insurance against utility price increases and spikes in a volatile market*

## CONSUMER FRIENDLY

**Opt in or out or change supply at any time with no fees or penalties**

(no action needed to stay in your previous supply)
