

Town of Mamaroneck WANTS YOUR INPUT!

What's your vision for T.O.M.? How can we design a plan for a better tomorrow?

The Town of Mamaroneck is updating its Comprehensive Plan. Over the last several months, the Town, **TOGETHER** with input from residents, through public workshops and events, helped identify goals and actions for the future of **OUR MAMARONECK**.

We heard your hopes, dreams, and challenges for Mamaroneck. Now come join the Comprehensive Plan Committee in an interactive workshop that showcases the goals, policies, and actions of the Comprehensive Plan. Five stations, each representing a theme of the Comprehensive Plan, will be open for comments and input.

If you haven't participated yet, this is the time to join the conversation.

Join us at one of the following locations on
