

Town of Mamaroneck New York

Traffic Safety Review Request Form

The Traffic Committee serves as an advisory group that reviews concerns and suggestions for traffic safety improvements from residents in the Town of Mamaroneck. The Committee's role is to evaluate and recommend to the Town Board various approaches and proposed changes that could be utilized to create safer and more livable neighborhoods, as well as enhance traffic safety within the Town.

By your completing this form, a determination will be made whether the issue will be referred to the Traffic Committee for their review and input. The information provided will assist the Town in evaluating if there are other measures that can be taken to address the issue. Submission instructions are noted on the reverse side of this form. If your issue warrants the Traffic Committee's review, it will be placed on an agenda. You will be notified of the date, time and location of the Traffic Committee meeting at which your issue will be discussed.
